

Fitzdares, Dining Room

Founded by premium bookmakers Fitzdares: it's no wonder this newcomer to 50 Davies Street, Mayfair predominantly features racy reds in its colour scheme. A perfect W1 hideaway for racing enthusiasts to settle down with a 'Horse's Neck' martini, and enjoy live sport on state-of-the-art screens. fitzdares.com

Fitzdares, Upstairs

As is the case in the dining room, interior designer [Rosanna Bossom](#) based Fitzdares' sitting room on a blend between a Mayfair home and members' club; balancing comfort and style. One of three private rooms upstairs at the club, (each themed on a separate sport or game), the decorative accents chosen by Bossom include retro prints, racing reds, blues and greens, and accents like sisal and stripes. fitzdares.com
