The Affordable Fabrics Interior Designers Swear By

The cleverest interior designers know where to spend and where to save. And when it comes to fabric, most people have to be smart – especially if they plan to stick to a budget. Here, some of our favourite designers share their top picks under £35 per metre for curtains, upholstery and more.

Photography: ALICE LEIGH DESIGN | IAN SANDERSON LITTLE COMPLEMENTS

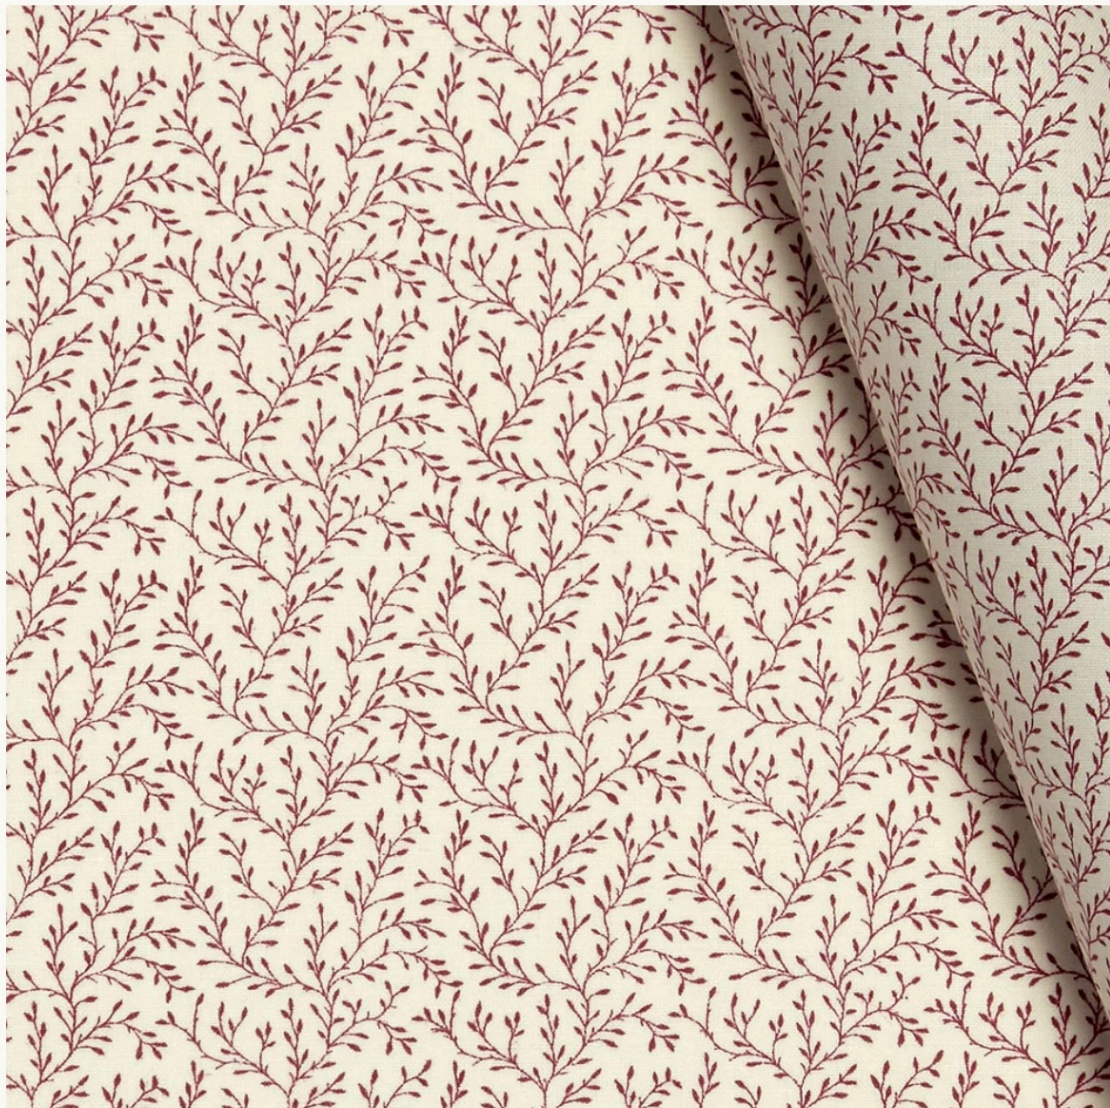

RANGE / 07 September 2020 / Save

Rosanna Bossom

“This Ian Sanderson print would make the perfect lining for curtains. In fact, we just had it paper-backed and used as wallpaper in a girl’s bedroom. The Tinsmiths ticking fabric would also look amazing on a giant sofa in a playroom. Striped sofas are one of my favourite things to do.”
