# 9 Interior Designer Product Ranges We Love

Having spent years sourcing the perfect pieces for their clients, it's no surprise to see interiors pros designing and releasing their own product lines. From whimsical decorative objects to classic furniture, these are the ones to have on your radar.

## Rosanna Bossom

By combining old and new – think vintage furniture with modern accessories – Rosanna Bossom has produced a timeless assortment of pieces. Just like her work, her collection is also a bit different to the rest. The wavy backed sofa, bobbin fender and fluted bedside are versatile, but totally unique.
